diem rates in effect at the time of travel as set forth in the FTR. Links to the [FTRs](#) and [current per-diem rates](#) can be found on the GSA web site (www.gsa.gov).

2. At all times, the Subcontractor is expected to take reasonable steps to minimize the amount of travel expenses (i.e. booking all travel as far in advance as possible).

Time Limitations

1. Domestic Extended Personnel Assignments
 - (a) Domestic extended personnel assignments are defined as any assignment of subcontractor personnel to a domestic location different than their normal duty station for a period expected to exceed 30 consecutive calendar days.

If the break is greater than 12 months, the assignments will be considered as separate assignments for purposes of the three year clock.

If the Subcontractor believes it is not practical or cost effective to obtain long term lodging, the Subcontractor may request a specific preapproval to waive this restriction. Until such approval has been granted, costs for travel will be treated as set forth in B.1 and B.2 above.
 - (c) If there is a Subcontract requirement for recurrent intermittent travel of less than 30 consecutive days per trip to the same domestic location over a period of 6 months or more, a cost analysis will be mutually performed to determine if the use of long-term lodging would be more cost effective. If it is determined that the use of long-term lodging is more cost effective, the travel costs shall be reimbursed in accordance with the requirements of Paragraph B.1 above.
4. Previous Contractual Arrangements – for all Subcontractors under per diem arrangements prior to October 23, 2012, existing assignments will be transitioned to the new policy after given ninety (90) days’ notice. In the case of assignments with less than 90 days term remaining before renewal, the existing reimbursement scheme will carry forward into the renewal period until the 90 day notice period has elapsed.
5. Subcontract Renewals - upon renewal of a MSA Subcontract with the same Subcontractor, individuals of that Subcontractor working to the same work scope, unless there has been a break of more than 12 months, the per diem limitations set forth herein will continue to apply based on the initial Subcontract award date that started the effort.

2. Subcontractor shall provide and maintain an internal quality control/inspection system covering the services performed under this Subcontract that is acceptable to the Buyer. However, Buyer acceptance does not relieve the Subcontractor in any way for full performance responsibility.
3. Complete records of all inspections performed by Subcontractor on work related to the requirements of this Subcontract shall be maintained and made available to the Buyer during Subcontract performance, and for as long afterwards as is required by the DEAR clause 970.5204-9 (modified) of the General Provisions of this Subcontract.
